*Answering our Retailers’ calls for what actions can be taken RIGHT NOW to generate more income and protect your Business; we’re inviting all Hyperlink Retailer Management & Keyholders to experience: “26 x 26”.*

*For the next 26 weeks, participants will receive 24/7 access to weekly video consultations, providing specific strategies and recommendations for measurable improvements to your team’s skills, and your bottom line.*

*The one-time Retailer investment of \$240 per store, comes to less than \$10 per week. Discounted 80% off the regular fee of \$1,188 due to the Covid crisis, at a critical time when every dollar counts, and every Customer counts.*

*\*Our monetary goal with this initiative is to increase per store profitability by \$2,600 per month! And to fully refund fees!*
